The ILO Global business and disability network (GBDN) is a unique employers led worldwide network of multinational companies, national employers organizations’, business networks and disabled people’s organization (DPOs) working in collaborations to promote the inclusion of persons with disabilities in the workplace. They actively support and strengthen such networks as well as national initiatives on disability.

The Employers’ Federation of India (EFI) was established, as an association of autonomous organizations of industry and was set up with the purpose of protecting, promoting and championing the interests of employers mainly in the area of human resources, industrial relations, labour problems and cognate matters. Apart from relentlessly championing the cause of the employers in various fora nationally and internationally, over the years, EFI has kept pace with the changing business scenario and has provided need-based services to the employers in India. Employers’ Federation of India plays a special role as an apex body of employers’ organizations and industries on matters concerning labour, human resource management, industrial relations and other related issues.

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India’s development process. Founded in 1895, India’s premier business association has around 9000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

As a developmental institution working towards India’s overall growth with a special focus on India@75 in 2022, the CII theme for 2018-19, India RISE : Responsible. Inclusive. Sustainable. Entrepreneurial emphasizes Industry’s role in partnering Government to accelerate India’s growth and development. The focus will be on key enablers such as job creation; skill development; financing growth; promoting next gen manufacturing; sustainability; corporate social responsibility and governance and transparency.

With 65 offices, including 9 Centres of Excellence, in India, and 10 overseas offices in Australia, China, Egypt, France, Germany, Singapore, South Africa, UAE, UK, and USA, as well as institutional partnerships with 355 counterpart organizations in 126 countries, CII serves as a reference point for Indian industry and the international business community.
