inclusive
of persons with disabilities**

ILO Headquarter, Geneva, Switzerland

#GBDN2019

www.businessanddisability.org

#Enable2Work

Highlights of the two-days event

21-22 November 2019

Member-only session

Signing ceremony of Charter for new members with the presence of ILO Director General

Launch of the global GBDN campaign

Presentation of the Future of Work publication and high-level panel discussion

Plenary and parallel sessions will address topics like:

- Artificial intelligence and its impact on the employment of persons with disabilities
- Ensuring that persons with disabilities have the required digital skills
- Company practices to ensure the employment of persons with disabilities in the context of a changing labour market
- Global employee resource groups on disability
- How global companies and national networks can support the employment of persons with disabilities in SMEs
- Examples of good practice on employment of persons with disabilities in the public sector
- How collective bargaining and social dialogue can promote the employment of persons with disabilities
- How to move the employment of persons with disabilities higher up on the global agenda
- The Business Disability Forum global standard
- The #Valuable 500 campaign
- The #PurpleLightUp movement

Lots of networking opportunities both structured and unstructured will provide the opportunity to all participants who so wish to share their best practices.

International Sign and Live Captioning will be provided
