

The logo for PROABLED features the word "PROABLED" in a bold, sans-serif font. The letter "A" is significantly larger than the other letters and is positioned over the "O". The "O" is replaced by a stylized icon of a wheelchair, consisting of a circle with two smaller circles inside representing wheels. The letters "P", "R", "B", "L", "E", and "D" are in a medium blue color, while the "A" and the wheelchair icon are in a darker blue-grey color.
