Our Methodology, Updates, and Next Steps

SYNCHRONISED COLLECTIVE ACTION

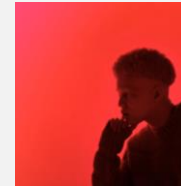

What is Synchronised Collective Action?

500 companies, led by their CEOs will measure and track system change across 3 Synchronised Collective Actions.

- Channelling the power of 500 partners working in harmony.
- Moving in the same direction, at the same time, against the same system barriers to inclusion.

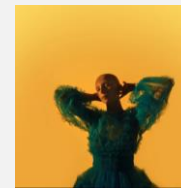

3 Synchronised Collective Actions.

1. LEADERSHIP

2. REPORTING

3. REPRESENTATION

THE ROAD TO TOKYO 2025

**We are working towards
the Valuable 500 Accountability
Summit, Tokyo 2025.**

We will invite our 500 companies to take Synchronised Collective Action against the most significant systemic barriers to inclusion: Reporting, Leadership, and Representation and report on their actions.

We hold each other to account.
