• Mental health first aider
• Hobbies: History and Football
To support the WE ABLE target, the company will:

- Increase the employment of people with disabilities across its operations.
- Ensure all training programs are disability inclusive.
- Ensure all Zain operating locations are accessible.
- Identify and implement assistive technologies that will enable employees with disabilities to independently complete their tasks.
GROW Program

- 43 trained and certified
- 16 joined Zain since the program launch
- Covered more than 12 topics
GROW Program

- Route 1:
  A specific timed program for fresh graduates with disabilities.

- Route 2:
  Internship or a part-time job for current students with disability
Establishing comprehensive accessibility guidelines that cover all touchpoints, including physical spaces, training programs, and digital platforms, ensures that accessibility is consistently prioritized throughout an organization.
