Atos

Motivation

Why we decided to get involved

- Reputation
 - The conference has a great reputation as a convening space for accessibility and inclusion practitioners from multiple sectors across the globe.
 - Being recognised as a best practice and gaining an award helps the recognition and reputation of the team.
 - Aligned with our programmatic work which also includes ILO GBDN

Network Benefits

Why we decided to get involved

- Networking
 - Very few conferences have the broad variety of contacts.
 - Bringing colleagues together.
 - Learning from others.
 - Getting to speak at the UN

Everyone's A Winner
